

The background of the entire image is a photograph of a red Formula 1 car, likely a Ferrari, on a racetrack. The car is shown from a side-rear perspective, with its distinctive red bodywork and black tires. A large, semi-transparent purple geometric shape, consisting of several overlapping triangles and polygons, is superimposed over the lower half of the image, creating a modern, abstract design element. In the top left corner, there is a solid black rectangular box containing the text 'TAG' in white.
